Procedures:

* It is my responsibility to document your grades. It is your responsibility to keep up with them.

* Extra credit opportunities will be available throughout the year. If there are circumstances in which a student wishes to ask for additional extra credit, it is that student's responsibility to ask for the opportunity.

(Note: Just because a student asks for extra credit does not mean they will be given the opportunity. Waiting until the last moment is not a wise decision!)

* I am available for extra help before school from 8:00-8:25 and after school Monday to Thursday until 4:30. If a student needs more time, they may schedule it with me.

* If students wish to retake a quiz, there is a Google Form to request this on Schoology that is to be completed in order to receive approval for & schedule their quiz retake.

Class Rules:

1. Be respectful of yourself, your environment, and your peers.
 - ♦ Don't say hurtful things about yourself, and do not tear down your peers. Foul language & derogatory remarks will not be tolerated in our classroom community.
2. Class will be far easier if you are prepared.
 - ♦ We will do a variety of activities in class which you need to be prepared for. Remember that part of being prepared is actively participating and having a positive attitude!
3. Bea-YOU-tiful!
 - ♦ Part of what makes English so great is that it allows you to utilize your own voice. It is my goal that you find your voice and learn how to use it to make a positive difference. Be unique. Be creative. Be yourself.

Expectations:

- * Be present, on time, and alert for class. You are responsible for making up any work you miss while absent.
- * Keep our classroom clean. If you leave something in the classroom, I cannot promise it will be there when you come back to claim it.
- * Take care of personal business before class starts.
- * Appropriate language should be used in this class. Academic English should be used in all formal writing assignments.
- * Plagiarism and cheating will NOT be tolerated. There is no acceptable excuse for cheating. Any instances of cheating or plagiarism will result in an automatic zero for the assignment and a write-up. This is non-negotiable.

LATE WORK POLICY:

Each day a student's assignment is late, points will be deducted from their grade. After a week if an assignment is not submitted, it becomes an automatic zero.

Grade Weights:

Projects/Papers/Debates: 40%
Portfolio: 30%
Quizzes & RCRs: 20%
Homework & Participation: 10%

Cell Phone Policy:

Personal cell phones should not be used during class, aside from when Ms Hildebran grants permission to have them. If a student needs access to their phone for any other circumstance, Ms Hildebran needs a note from home explaining the situation. Consequences for inappropriate use of cell phones follows the policy laid out in the Carson Student Handbook.
